FEB 15 2018

Mr. Steve Glammeyer
Utility Director
City of Delta
360 Main Street
Delta, CO 81416

Dear Mr. Glammeyer:

Enclosed are two executable originals of Salt Lake City Area Integrated Projects (SLCA/IP) Firm Electric Service Contract No. 17-SLC-0843 between the City of Delta and Western Area Power Administration (WAPA) for Firm Electric Service. As noted in the Final 2025 Marketing Plan, published November 29, 2016 (81 FR 85946), WAPA will provide existing Contract Rate of Delivery commitments with associated energy to current SLCA/IP FES customers as set forth in the existing SLCA/IP contracts, which implemented the Post-1989 General Power Marketing Criteria and Post-2004 PMI.

Your existing SLCA/IP Contract No. 87-SLC-0044 will terminate September 30, 2024. Contract No. 17-SLC-0843 will be effective as of the execution date and will remain in effect through September 30, 2057. Delivery of Firm Electric Service under Contract No. 17-SLC-0843 will begin October 1, 2024, and will remain in effect through September 30, 2057. Please sign, date, and return the two executable originals to the address below. Please note the Colorado River Storage Project (CRSP) Management Center has moved to a new office location.

Send to: Department of Energy
Western Area Power Administration
299 S. Main St.
Suite 200
Salt Lake City, UT 84111

Upon receipt WAPA will execute both originals, and return one fully executed original for your records. If there are any questions, please telephone Tim Kutz at (801) 524-6365.

Sincerely,

A handwritten signature in black ink, appearing to read "Brent C. Osiek".

Brent C. Osiek
Vice President of Power Marketing
CRSP Management Center
